& Celebrations*

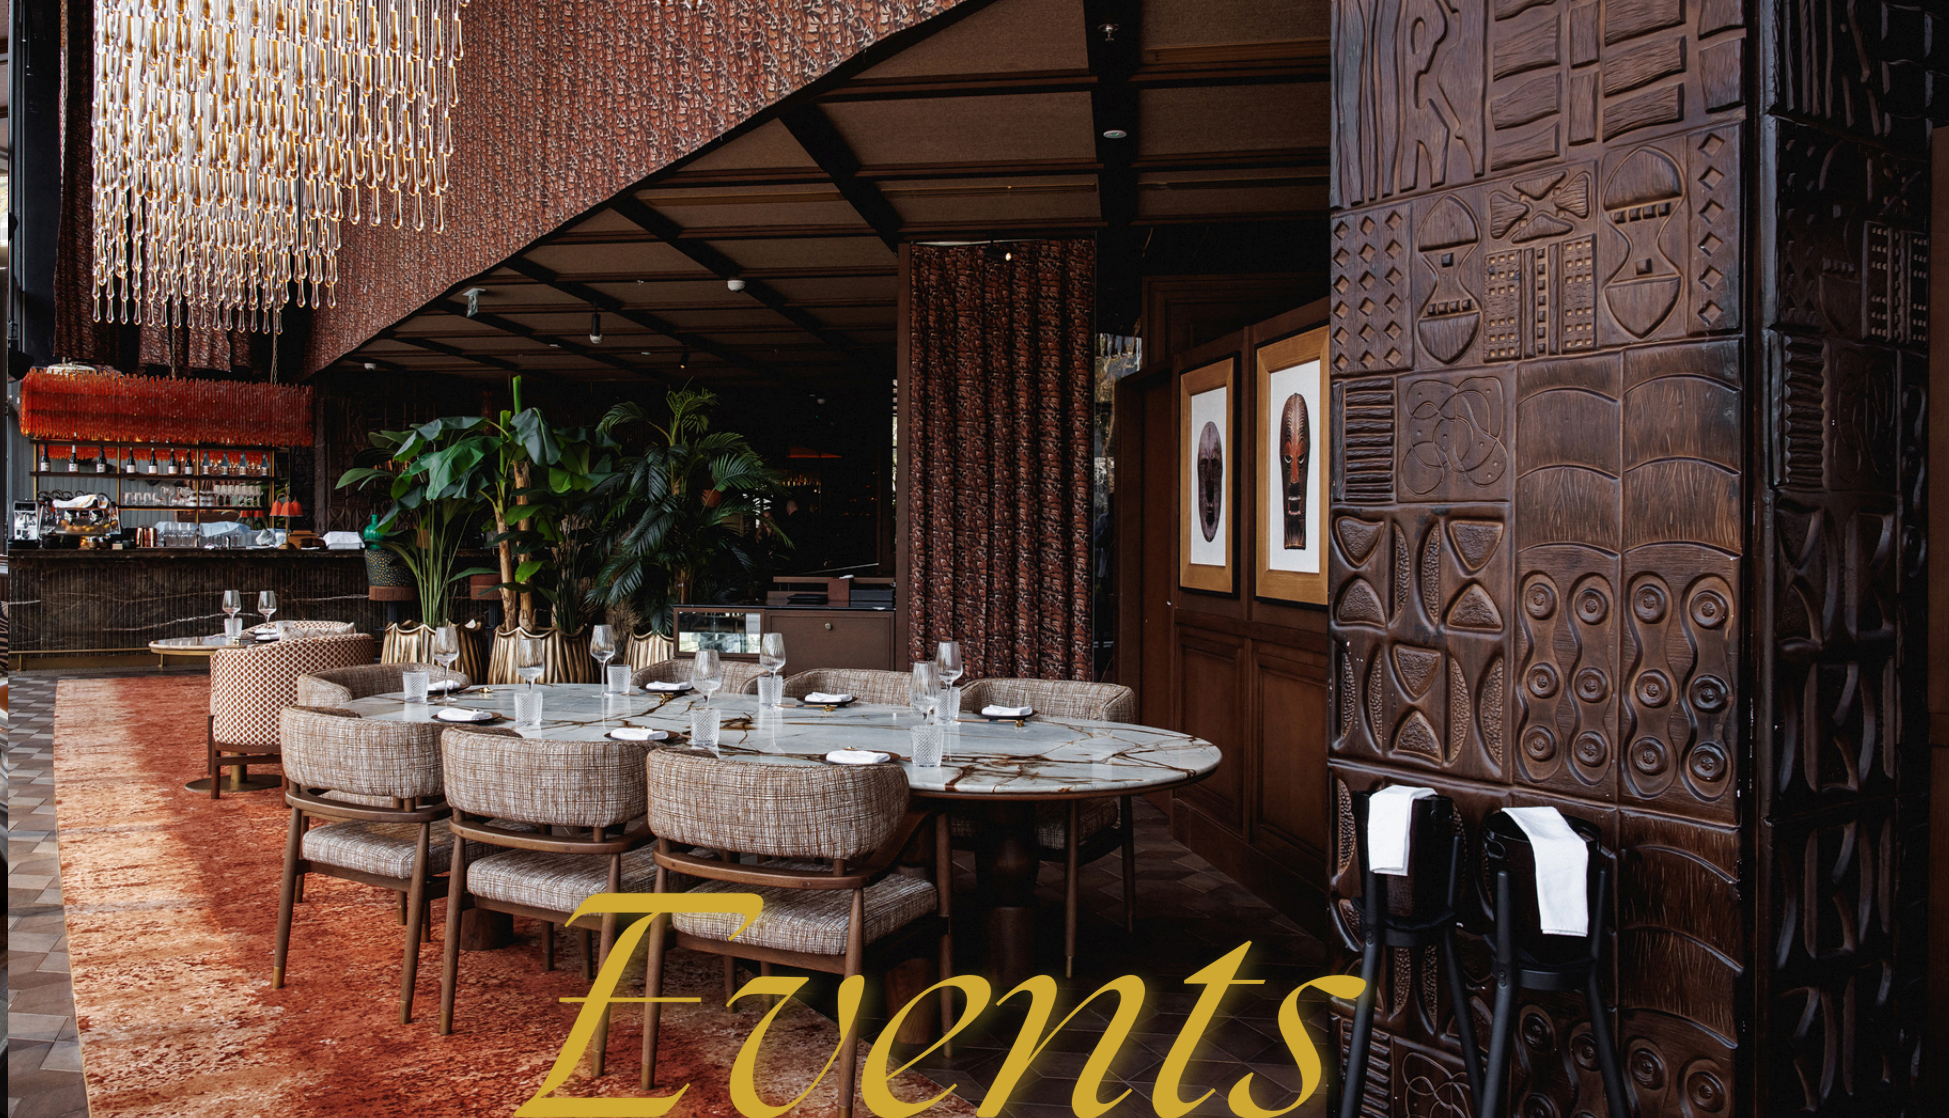

Salvaje was born simultaneously in the hustle and bustle of two very exotic capital cities, Panama City and Bogota, in 2018. Salvaje celebrates Japanese cuisine with a Latin twist

Salvaje Dubai is the star iteration of our concept and serves as the flagship branch. Our menu draws on Japanese traditions in terms of its quality and sophistication. It is authentic in its own way and pays an ode to Japanese cooking techniques. The menu is always evolving, keeping in mind the izakaya style, meaning everything made to share.

Salvaje has presence in multiple cities around the world including Madrid, Barcelona, Paris, Miami and likes

Nestled in the heart of Dubai, Salvaje offers unparalleled views of the iconic Burj Khalifa and Dubai Opera. Enjoy exquisite dining with a backdrop that promises to enchant and inspire.
